Job role post MBA

An essential career track to give you all the keys to success

An integral part of the curriculum, the full-time MBA dedicated career track is comprised of a full range of career services specifically designed to help participants establish a roadmap to successfully manage their next and future career developments:

Workshops

Face-to-face workshops with senior consultants give a methodology to help you: identify your personal motivation factors, best determine your career path, go beyond a "cover letter / resumé-based / e-reputation" approach, set up of job search strategy

Individual career counselling

Get personalized advice and support in your job search

Online tools

MBA dedicated careers platforms & online career guides

Expert panels and conferences

To provide you with excellent opportunities throughout the year to meet with different companies and educators face-to-face to discuss your future

Across campus opportunities

- Class presentations to companies (HR Contact and / or Field Manager) and company presentations to the class
- Thematic Careers week. Each day is dedicated to a sector (luxury, digital, sport & wellness, hospitality)
- Careers forum, 3 days, more than 100 companies on **emlyon business school** campus in Lyon (France)

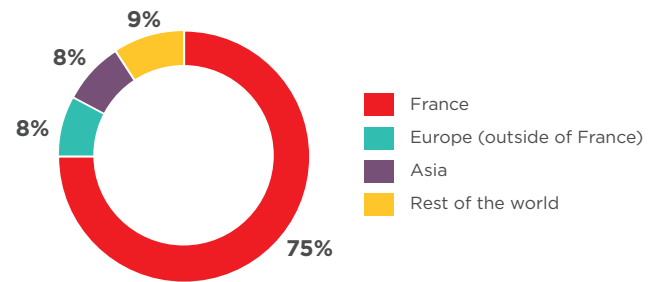

Mentoring program

Share experience with MBA alumni

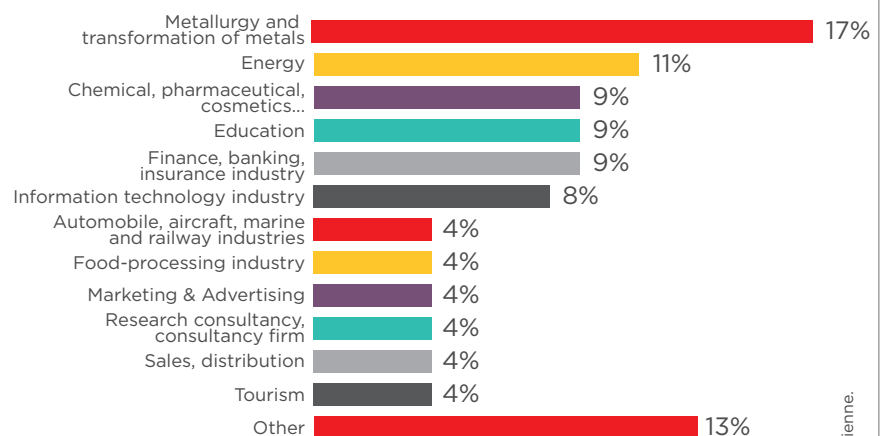

Alumni network

Hold lifelong membership within a network of over 31,000 alumni in 121 countries

Job location post MBA

Industry post MBA
