

## **MSc in High-End Brand Management 2021 Intake**

### **Individual Scholarship Request Form**

As a socially responsible organization, **emlyon business school** provides a scholarship support fund to help qualifying students further their education. These scholarships are limited in number and are granted under multiple criteria matching the program's mission and values (diversity, background, academic excellence etc.)

Applications for financial aid are taken into account upon application to the program and feedback will be provided after the Admission Board.

Please complete this document and upload it on your application file with any documents which might help us assess your financial situation.
